DRUMBEAT GLOBAL PEACE ACADEMY Teaching Peace / Curbing Violence

The drumbeat is calling you and me

To dance to the tune of love

To the rhythm of life

The drum calls us to gather in unity

It is time to pray, eat

And celebrate our being.

The drum calls everyone to remember

Those heroes, both present and gone,

Those very bones that give us form,

Those very souls that keep us informed

Of who we are and where we are.

The drumbeat is calling you and me

To dance to the tune of love

To the rhythm of life

The drum calls us to gather in unity

It is time to pray, eat

And celebrate our being.

The drum calls everyone to remember

Those heroes, both present and gone,

Those very bones that give us form,

Those very souls that keep us informed

Of who we are and where we are.
